

# BAL HARBOUR

- V I L L A G E -

To All Bal Harbour Village Residents:

Village personnel are currently onsite assessing the conditions of the Village and making provisions to clear up the streets to make it as safe as possible for residents to return.

For those residents who are not in the Village but would like to come back, we encourage you to use the Broad Causeway. In order to gain entry through the Broad Causeway, you must show your identification with a Bal Harbour address to gain access back into the Village. Only residents and employees will be allowed into the Village. No private contractors (e.g., landscaping and construction) will be permitted access until further notice.

As you are driving back to the Village, please use caution as traffic signals may stop working without warning. Florida Law requires you to treat intersections as a 4-way stop.
