2021 HURRICANE SEASON JUNE 01 –NOVEMBER 30

While everyone enjoys the beautiful weather year-around in Bal Harbour and South Florida, it is very important to be well aware, and prepared in the event that a hurricane is eminent.

Please take a few minutes and go to www.miamidade.gov/hurricane to find updates on being prepared before, during and after a hurricane. Planning is essential and we recommend that you not only review, but also develop and familiarize yourself with the Emergency Planning points:

- **Kits & Checklists:** Make plans and be fully stocked on supplies before hurricane season begins.
- **Emergency Evacuations:** Learn how to prepare for an evacuation, as well as what to do and where to go.
- **Emergency & Evacuation Assistance Program (EEAP):** The EEAP provides evacuation assistance to residents who need specialized transportation or whose medical needs prevent them from evacuating on their own.
- **Pet Preparedness:** Learn how to properly take care of your pets when a storm comes.
- **Tree Preparation:** Prune your trees before hurricane season arrives, and get tips for after the storm.
- **Shelter in Place:** Learn how to safely ride out the storm from home.
- **Storm Surge Planning Zone:** Learn about storm surge and find out if you live in an area that's at risk of storm surge.

In the event of an emergency or severe weather condition, an alert will be sent to your phone number provided by voice, text and/or email.
