PRIVATE TOUR

12:15 PM - 12:45 PM
LIGHT REFRESHMENTS

Step into Victorian London and test your powers of observation as you work alongside the world's most famous detective. This interactive experience will delight audiences of all ages as it showcases areas of forensic science that enabled Sherlock Holmes to solve crimes, and brings to life the historic underpinnings of author Sir Arthur Conan Doyle's rich and vibrant stories.

In *Sherlock Holmes: The Exhibition* at Frost Science, you will be transported into Sherlock Holmes' London to solve a mystery in a world newly introduced to his groundbreaking methods. You'll discover clues, interpret them and work to solve the mystery.
