ICA Miami: Digital Commissions

ICA Miami's inaugural Digital Commissions series video comes from Miami artist Cristine Brache titled Morning Sickness in the USA (2020).

In Morning Sickness in the USA, Brache shares the story of her grandmother, who was quarantined in 1961 after seeing a doctor for inexplicable morning sickness. Having immigrated to the US from Puerto Rico, doctors suspected she had an infectious disease and put her in quarantine in a mental asylum. The reason for her morning sickness was later revealed to be pregnancy.
