More Testing Sites

Please be advised that the number of testing sites continues to expand and the minimum requirements to qualify to be tested are also continuing to change. For a complete listing of testing site locations and hours, please visit the [Miami-Dade County Coronavirus webpage](#).

United States Census 2020

In light of the COVID-19 outbreak, the U.S. Census Bureau has extended the deadline for the 2020 Census. The [2020 Census Questionnaire](#) should only take most people 10 minutes to complete, and your response helps direct billions of dollars in funds to local communities for roads and other important public services.

Most households should have already received their invitation to respond to the 2020 Census. These official Census Bureau mailings will include detailed information and a Census ID for [completing the Census online](#).

In addition to an invitation to respond, some households will receive a paper questionnaire. You do not need to wait for your paper questionnaire to respond to the Census. We encourage you to complete your census form online or by phone. To learn more about Census 2020, please visit www.2020census.gov.

Home Testing for Homebound Residents

Senior citizens and individuals over the age of 18 with disabilities who are experiencing symptoms but are homebound may call to request a COVID-19 test to be performed at their home by Miami-Dade Fire Rescue staff. You must first make an appointment by calling **305-499-8767** starting at 9 a.m., seven days a week. The appointment line remains open until all appointments have been issued.
