Subject: Re: BAL HARBOUR VILLAGE inspection [BL FINAL] for Permit [BOR-18-11-004] requested for 03/08/2019 12:30 PM

I greatly appreciate you and your team being so accommodating to the construction professionals that work within your jurisdiction.

I have worked in many jurisdictions in Florida and many other states, and your team by far is the easiest to get along with.

We are working hard at finishing this store this week. I also spoke with Chester about possibly being able to accommodate a building final next Friday the 15th, if it is possible by your office and possible within my team. I will be in touch with such request later in the week and I thank you for tomorrow and the possibility to be flexible next week as well.

Thank you,
Joseph Muller
