

BAL HARBOUR

- V I L L A G E -

OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 066-2020

To: Mayor Gabriel Groisman and Members of the Village Council
From: Jorge M. Gonzalez, Village Manager 
Date: May 11, 2020
Subject: **Bal Harbour Village Utility Infrastructure Improvements Project Ground Breaking with Pipe Bursting Demonstration**

The purpose of this Letter to Council (LTC) is to invite you attend a Ground Breaking Ceremony and Pipe Bursting Demonstration, this **Thursday morning May 14, 2020 at 9:00 am to 9:45 am, in front of 232 Park Drive**. As you are aware, the Utility Infrastructure Improvements Project Phase 4 and 3 A are now in the early phases of construction and a component of this work involves the use of the Pipe Busting method to replace sections of the existing water system. Specifically, the location along Park Drive work will be using this process to replace water main transmission lines.

To commemorate the first use of Pipe Bursting in Miami Dade County, a demonstration will be conducted as the first water pipe replacement begins this Thursday. Additionally, the Directors of Miami Dade County Water and Sewer and Health Departments will also be in attendance to witness the demonstration.

Please join us to mark this important milestone towards completing the long-awaited Utility Master Plan envisioned, Village infrastructure improvements.

If you have, any questions please contact Director of Parks and Open Spaces John Oldenburg at 305.993.7368 or 954-205-9684.
