LETTER TO COUNCIL

NO. 205-2017

To: Mayor Gabriel Groisman and Members of the Village Council

From: Jorge M. Gonzalez, Village Manager

Date: December 8, 2017

Subject: **Haulover Bridge Construction/North Municipal Lot**

The purpose of this Letter to Council (LTC) is to inform you of the closing of the North Municipal Lot.

As part of the ongoing repairs of the Haulover Bridge, on December 5, 2017, Kiewit Construction Company will begin sand blasting and painting the undercarriage of the Haulover Bridge. As a result, the parking areas will be closed for public parking for approximately 4-8 weeks. Drapes covering the area will be erected under the bridge during this phase of the project to help contain the construction site

Vehicular and pedestrian traffic will be allowed to traverse through the turnabouts and access the sidewalks and jetty without restrictions.

Police will monitor the area and mitigate any traffic and safety issues that may arise.

If you have any questions or need additional information, please feel free to contact Captain Raleigh Flowers.
