LETTER TO COUNCIL

NO. 213-2017

To: Mayor Gabriel Groisman and Members of the Village Council
From: Jorge M. Gonzalez, Village Manager 
Date: December 22, 2017
Subject: **Google Maps Global Positioning System (GPS) Update**

The purpose of this Letter to Council (LTC) is to inform you on the police department's request to have Google Maps update their GPS mapping system regarding the appropriate access point to the security district.

At the direction of Chief De La Rosa, the police department submitted a request to Google Maps to re-route drivers utilizing Google Maps GPS to identify addresses within the security district to the appropriate entry point. Presently, Google Maps coordinates directs vehicles to enter the security district through the residents only entrance on Bal Bay Drive. After reviewing the police department's appeal, Google Maps honored the police department's request, drivers using Google Maps GPS and navigation systems will be routed to the Harbour Way West guard gate entrance.

If you have any questions or need additional information, please feel free to contact Captain Raleigh Flowers.
