OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 111-2018

To: Mayor Gabriel Groisman and Members of the Village Council
From: Jorge M. Gonzalez, Village Manager 
Date: July 6, 2018
Subject: **Beach Jogging Path Restoration Project to Start on Monday, July 9, 2018**

The purpose of this Letter to Council (LTC) is to transmit to you information regarding the Beach Jogging Path Restoration Project which was approved at the May 15, 2018 Bal Harbour Village Council meeting.

In order to restore the Beach Jogging Path to its intended design criteria, the existing path will be graded to remove the excess mixed sands and new coquina sand installed to provide the appropriate finish walking surface.

The Project is scheduled to commence on Monday, July 9, 2018 at 8:30 am. This work will be performed by the Village contracted service provider, Quality Construction Performance, Inc. The project area starts on the jogging path adjacent to the Balmoral Condominium and continues north to the end of the project limits. The work area will be cordoned off and work vehicles will be escorted by Village Staff. The project is estimated to be completed within 30 days from the start date.

Additionally, once restored, the jogging path will receive raking three (3) times weekly, utilizing in-house staff and the small sand raking machine previously purchased for this work.

If you have, any questions please feel free to contact John Oldenburg directly.
