Sec. 20-30. - Payment of bills--Providing for manner of payment, late charge for delinquency, imposition of special assessment lien, collection.

(a) All bills for water sold and sewage disposal services provided by the Village shall be payable at the Village Hall during ordinary business hours, either by mail or in person. No payment made elsewhere or to any Person outside the Village Hall shall be valid or binding on the Village. Payment for such bill shall be due and payable not later than the due date indicated upon such bill of the Village. Such due date shall be not later than the 15th day of each month for service provided by the Village in the immediately preceding month.

(b) If such charges are not fully paid by the customer on or before the past due date and later than the 20th day of the month, a \$10.00 late charge shall be added to the water and sewer bill and imposed by the Village. Unpaid balances of customers for such charges and late charges shall be subject to an interest charge at the rate of eight percent per annum in accordance with the provisions of paragraphs (d) and (g) below. Imposition of said interest charge shall commence upon the filing of a lien for past due water and sewer bills pursuant to paragraph (d).

I understand and agree that as a condition to receiving utility service, I will be subject to all provisions under Chapter 20 - Utilities of the Bal Harbour Village Code. It is recommended that prior to purchase a lien search is conducted as unpaid balances will become the responsibility of the new property owner. I further understand that unpaid utility account balances constitute a lien on the real property.
