

PUBLIC NOTICE - WATER MAIN WORK

*Water Main Installation, Water Meter Relocations
Along Park Drive Begin in April*

» Overview

Beginning the first week in April, a new water main will be installed along the east side of Park Drive between Bal Cross Drive and Harbor Way East. Domestic and irrigation water meters in this area will also be relocated to the front of properties. The apartment buildings on east side of Park Drive facing Collins Avenue will also have new water services installed at the rear of the property wall. Future work also includes the construction of new curb and gutter and repaving the roadway.

» Anticipated Work Schedule

- First week of April through December 6, 2024
- From 8:30 a.m. to 5:30 p.m.

» Lane Closures

- Flaggers will be used as needed to assist during work hours.

» Reminders

- Property owners will be notified days in advanced by the contractor and/or Village staff when workers are required to work at the rear of property or easement area.
- Use caution when driving or walking near the work zone.
- Follow posted signs.

Please note that this schedule could change due to bad weather or other unexpected conditions.

April through December 6, 2024

» Who to Contact
