Dear Bal Harbour
Residents and Visitors,

We are delighted to once again welcome Miami Art Week to our community—a time when creativity and culture take center stage in Bal Harbour Village. This year's curated lineup of exhibitions and activations invites you to experience the very best of modern and contemporary art, from world-renowned masters to today's most compelling new voices.

From November 30 through December 7, residents and guests enjoy complimentary access to premier art fairs and special events across South Florida. Our 2025 cultural partners include SCOPE, Untitled Art Fair, The Bass, Pérez Art Museum Miami, and the Museum of Contemporary Art. Pre-registration is required for certain events, and space is limited. Visit balharbourfl.gov/miamiartweek for details.

As a community synonymous with curated art experiences and refined cultural engagement, Bal Harbour continues its commitment to bringing exceptional art into everyday life through *Unscripted* Bal Harbour. This year, we proudly present two new installations that invite reflection and inspiration.

At the 102 Street Beach Access, artist Ana Bonamico's *The Hidden Pearl* transforms the coastal landscape into a poetic meditation on memory, resilience, and the feminine spirit. Meanwhile, Tania EA's *Aspire to Inspire*, at Bal Harbour Waterfront Park, creates an immersive world of uplifting language and augmented-reality sculpture—a living sanctuary celebrating creativity and well-being.

With each passing year, Miami Art Week deepens Bal Harbour's legacy as a destination for art, elegance, and discovery. We look forward to sharing these experiences with you and continuing to seek new ways to inspire, connect, and celebrate the arts together. For the most up-to-date information on events and experiences being offered by the Village, please visit balharbourfl.gov/miamiartweek.

Thank you, and we hope you enjoy Miami Art Week!

THE HIDDEN PEARL

102 Beach Access Path
Bal Harbour, FL 33154

Opening Reception
Sunday, November 30
4 - 6 PM

At the heart of Bal Harbour, *The Hidden Pearl* by Ana Bonamico invites reflection on strength, femininity, and transformation. Inspired by the quiet resilience of oysters, the installation transforms the act of healing into beauty—revealing that our deepest scars often become our most radiant treasures. Set against Bal Harbour's serene beachfront, Bonamico's work bridges intimacy and community, transforming the everyday into a poetic sanctuary where art, nature, and emotion converge.

This original exhibit will be located along the Beach Access path south of Oceana and will be on display November 30, 2025 - January 3, 2026, from 11 a.m. to 5 p.m. daily.

At Bal Harbour Waterfront Park, *Aspire to Inspire* by Tania EA transforms the park into a vibrant canvas of optimism and connection. Blending art and technology, the installation fills the park with uplifting quotes, typographic sculptures, and augmented-reality experiences that invite visitors to see language as living art. Rooted in Tania's exploration of symbolism and emotion, it reveals how words shape our thoughts and well-being. More than an exhibit, it's an invitation to pause, reflect, and reconnect—with ourselves, one another, and the inspiring spirit of Bal Harbour.

This original exhibit will be located throughout Bal Harbour Waterfront Park and will be on display December 1, 2025 - February 6, 2026, from 9 a.m. to 8 p.m. daily.
