Experience Recreation Spring 2026

Youth

Soccer

Designed for school-aged children who are ready to sharpen their skills and build a deeper understanding of the game. Players will work on key fundamentals such as dribbling, passing, and shooting, all while improving their speed and coordination.

THURSDAYS

APRIL 16 - MAY 21

5:30 - 6:30 PM

AGES 6 - 8

\$75 / SESSION (6 CLASSES)

Thread & Needle Sewing *Class*

Participants learn essential skills such as threading needles, using basic stitches, working with fabric, and safely operating a sewing machine. Each session guides students through simple projects they can proudly take home.

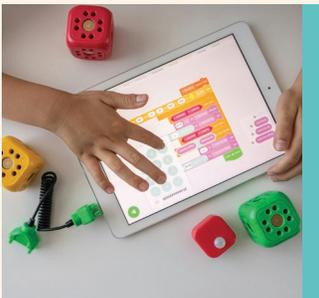

SUNDAY

APRIL 19 - MAY 24

1 - 3 PM

AGES 6 - 10

\$240 / SESSION (6 CLASSES)

STEM & Coding

Get ready to build, code, and create this hands-on weekly STEM program. Taught by a skilled teacher from the Lerman Day School, this exciting class blends technology and creativity to spark curiosity and problem-solving skills.

FRIDAYS

APRIL 17 - MAY 22

3:30 - 5 PM

AGES 5 - 10

\$120 / SESSION (6 CLASSES)
